

Why Do So Many Installers Prefer JASPER Marine Products?

- JASPER Marine Products offer a better value in comparison to the expensive replacement cost of new components
- Products are readily available through our nationwide distribution network, improving customer service by getting customers on the water faster
- With over 70 years of experience, JASPER Marine Products are reengineered and remanufactured to meet, or exceed, the original manufacturer's measured standards
- Free delivery, in most areas, using our own fleet of trucks equipped with lift-gates and motorized hand trucks
- Additional Marine Products are available, including:
 - Installation Kits
 - Remanufactured Yamaha Two & Four-Stroke Heads
 - Manifolds & Elbows available with Mercruiser, Volvo or OMC Engine purchase
- Nationwide, transferable parts & labor warranty coverage:
 - Marine Engines – 2 Years
 - Outboard Powerheads – 1 Year
 - Outboard Lower Units – 2 Years
 - Stern Drives – 2 Years

Full warranty and core policy disclosure available on our website.
Specifications subject to change without notice.

Proven Quality-Built Marine Products Remanufactured to the Highest Standards with Over 70 Years Experience!

Extensive Research and Development is performed prior to the release of any JASPER product in order to assure that all processes, parts and specifications will provide you with quality, value and reliable performance.

JASPER builders are factory trained, personally accountable and proficient in the operation of the latest high-tech equipment. Most popular complete engines are live-run tested and black light leak tested to assure proper operation.

JASPER Stern Drives and Lower Units undergo a special nine-step paint process, which includes an oven-baked finish for ultimate protection from the elements. Lower Units are pressure and gear tolerance tested to ensure smooth operation and optimum performance.

Save Time with the Convenience of Our Installation Kits & Accessories

Engine Specific Installation Kits Contain High-Quality Parts Backed by an Exclusive
2 Year Warranty to Ensure Fast, Hassle-Free Installation

(Oil filter is covered up to the first service interval)

Kits Include: Water Pump, Fuel Pump (if mechanical), Thermostat, Oil Filter, Plug Wires, Rotor, Distributor Cap and Spark Plugs

Replace those rusty old manifolds & elbows with one of our new replacements available for many Mercruiser, Volvo or OMC engine applications. Available only with engine purchase.
